Narrative

On 8/10/21 at approximately 1053 hours, I responded to International Organization of Masters, Mates and Pilots located at 700 Maritime Blvd, Unit B Linthicum Heights MD, 21090 for a report of threats. Upon arrival, I spoke with reporting party Gabriel Terrasa [REDACTED] who stated the following information.

Mr. Terrasa advised that a subject identified as John Ryan Melogy [REDACTED] sent an email to the organization stating, "I do not drop grudges against people who protect rapists. I destroy those people. And that's what I'm going to do. And if I destroy myself in the process, well, I don't know. Fuck it. We're all gonna die."

A copy of this email as well as various other harassing emails Mr. Melogy sent were provided and attached to this report via E-File.

Mr. Terrasa advised Mr. Melogy originally applied to be a part of the union in 2014 but was denied for not following the requirements. Mr. Melogy was upset with this results and filed a law suit against the organization for discrimination which he later lost causing him to send the various emails.

Mr. Terrasa provided a copy of his Merchant Mariner Credential which provides his last known address of [REDACTED]

Teletype was contacted and sent a check wellbeing for that address on Mr. Melogy. TTY also put the International Organization of Masters, Mates and Pilots on periodic checks.
